

Para conocer el **Factor de Impacto (JIF)** y otras métricas de las revistas y compararlas dentro de su categoría temática, tenemos 2 opciones de búsqueda desde la base de datos del [Journal Citation Reports \(JCR\)](#)

The screenshot shows the homepage of the Journal Citation Reports (JCR) website. At the top, there is a black navigation bar with the Clarivate logo on the left and a 'Products' menu on the right. Below this is a white navigation bar with the 'Journal Citation Reports™' logo and links for 'Journals', 'Categories', 'Publishers', and 'Countries/Regions'. On the right side of this bar are links for 'My favorites', 'Sign In', and a 'Register' button.

The main content area has a dark purple background. It features a large white heading: 'The world's leading journals and publisher-neutral data'. Below the heading is a white search bar with the placeholder text 'Journal name/abbreviation, ISSN/eISSN, category, publisher, country/region' and a magnifying glass icon on the right.

Below the search bar is a white box with a document icon and the text: 'Already have a manuscript? Find relevant, reputable journals for potential publication of your research using Manuscript matcher.' To the right of this text is a 'Match my manuscript' button.

At the bottom, there is a white box with the heading 'See full listings and refine your search by'. Below this heading are four icons with labels: 'Journals' (stack of books), 'Categories' (checklist), 'Publishers' (document with heart), and 'Countries/Regions' (globe).

In the bottom right corner, there is a small purple circular icon with the number '14' and a question mark.
